

Nova Insurance Is Offering Interest and Fee-Free Payment Plans on Business Insurance

Summary: The Insurance company understands the impact that the COVID-19 pandemic has had on its customers and the business community. The Interest and Fee-Free Payment Plans on Business Insurance is just one way that Nova Insurance is helping their customers, new and old.

2020, and 2021 has been a hard year for everyone living in the UK. The COVID-19 pandemic has resulted in more than 117K deaths and more than 4.05 million cases as of 16th February 2021. The business community has been hit just as hard with more than 250,000 businesses expected to fold this year. One company that aims to help the business community is Nova Insurance.

Nova Insurance has today announced they are supporting UK businesses during the COVID-19 pandemic by offering interest and fee-free payment plans on any business insurance with no credit checks undertaken. This offer allows customers to spread the cost of their insurance over three months payments with no interest, admin fees, or credit checks undertaken.

“We understand how the COVID-19 pandemic has affected people’s lives, and we also understand how some businesses are struggling to survive. 250,000 businesses are expected to close for good this year and 2.6 million people will be out of work by the end of the summer. We want to help businesses to survive and that is why we are offering Interest and Fee-Free Payment Plans.” said Nova Insurance Managing Director, Hassan Soyer.

The insurance industry has come under fire for not helping the business community during the COVID19 pandemic, but Nova Insurance is different. They care about their customers and want to support new and old customers during this hard economic climate.
